Vartov is an historic and beautiful building with Copenhagen City Hall as its closest neighbour. Vartov is known to have had the famous Danish poet, priest and adult educator N.F.S. Grundtvig as pastor in 33 years from 1839 to 1872 at the Vartov church which is part of the building complex.

In 1947 the Danish Grundtvig Society took over Vartov. The building underwent an extensive restoration and was particularly adapted for their new purpose, which was a continuation of the Grundtvigian youth and educational work.

Today the Grundtvig library and the Grundtvig Academy as well as many educational and cultural umbrella associations have addresses here.
